

There are a bunch of things we need to buy to enable us to do Sunday mornings, outreach events, small groups, children's ministry, etc.

So you know how people will buy parents a present before they have a baby? Perhaps you could buy us a present before we give birth to this new church on the Vegas Strip.

To do so simply pick the item on the list below that you'd like to purchase for us, then send a check made out to "Stadia" for that amount to: Stadia, P.O. Box 19700, Irvine, CA 92623-9700. On the memo line put, "NV Las Vegas 4-206" and then indicate the exact item you want your money to go towards.

Thank you!
